TO BE COMPLETED BY PHYSICIAN: MEDICAL CERTIFICATION

1. The first part of the report deals with the general situation of the country and the progress of the work during the year. It is a summary of the work done by the various departments and the results of the investigations. The second part of the report deals with the specific results of the investigations and the conclusions drawn from them. The third part of the report deals with the recommendations made by the committee and the measures proposed to be taken to improve the situation.

2. The committee has found that the situation in the country is generally satisfactory, but there are still some areas which need improvement. The committee has recommended that the government should take steps to improve the situation in these areas. The committee has also recommended that the government should take steps to improve the situation in the other areas.

TO THE HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be executed within 72 hours after death. Page 6 may be retained by the hospital or attending physician. TO THE FUNERAL DIRECTOR: After this certificate has been signed by the attending physician and completely filled in by the funeral director, page 5 should be detached for use as the burial-transit permit. Pages 1, 2, 3 should be filed within 72 hours after death with the State Dept. of Health and Mental Hygiene prior to burial, cremation, or removal. IMPORTANT: If item 28 is marked, or item 23 shows any injury, or other traumatic event, the medical examiner must be notified at once.
